

Temporary Faculty Eligible for Three-Year Contracts Beginning with the 2022-2023 year

April 6, 2022

The university has identified the following temporary faculty as eligible for three-year employment contracts in 2019-2020, as described in Article 12.12ff of the faculty collective bargaining agreement. Faculty eligible for these contracts have worked at least one full semester in the same department in each of the six academic years prior to the beginning year of the contract. Work in more than one department does not aggregate to reach this eligibility. Faculty may be eligible in more than one department, based upon their service. Except for full-time faculty, these contracts are conditional, based upon the availability of courses that the faculty are qualified to teach and upon enrollment and budget considerations. Full-time faculty – those with an entitlement of 30 units or 1.0 – are in non-contingent appointments.

This list is subject to change if the provisions of the faculty collective bargaining agreement change.

Note that the entitlement of faculty in three-year contracts is set by the year before the beginning of the contract:

Beginning Year of Contract	Year that sets entitlement	**Final Year of Contract & Required Cumulative Review
2020-2021	2019-2020	2022-2023
2021-2022	2020-2021	2023-2024
2022-2023	2021-2022	2024-2025 (5/23/2025)

Any questions should be directed to the Office of Faculty Affairs, (707) 664-2192.
