### EXPLANATION OF TERMS

#### Bond, Promissory Note, or Statement of Assets

Required by [Articles 27.9](#) and [28.11](#) of the collective bargaining agreement, the bond, note, or statement of assets provide confirmation that the faculty member will be able to repay salary in the event s/he chooses to leave the University without rendering the required period of service following return.

#### Two-semester Sabbatical

Find your gross rate of pay on a recent pay stub; this will be listed as "gross rate," not "taxable gross." Divide your current gross rate of pay in half. Percentage-based deductions such as tax withholding and retirement contributions will also be cut in half; you may fall into a lower tax bracket, and tax withholding may be reduced even more than half. Fixed-amount deductions such as health insurance premiums will be unchanged. This rate of pay will apply over 12 months.

#### Benefits

One-semester (full pay) sabbaticals, benefits are not affected at all.

Two-semester (1/2 pay) Sabbaticals, some benefits continue unchanged, while others are affected:

University-paid medical, life, and disability benefits are unchanged: These include health, dental, and vision insurance, and/or FlexCash; university-paid life insurance; university-paid long-term disability insurance; and sick leave accrual.

Retirement-related benefits are affected in proportion to the pay received: Your Social Security contributions are a percentage of your monthly pay; when your pay is reduced, the Social Security contributions are reduced in proportion. Social Security averages earnings over so many years that this is unlikely to have much or any effect on most faculty, but you may wish to contact Social Security to confirm the impact.

More significantly, your service credit under PERS will be reduced in proportion to the pay received (for example, a two-semester Sabbatical at half-pay will result in the accrual of half a year of PERS service credit, rather than a full year). Service credit is one of the factors in the calculation of the PERS retirement allowance, so such a reduction can have a noticeable effect on the retirement allowance. It is possible to purchase the lost service credit after your return from leave.
