Department: Biology
Working Title: CTS Reporting
Classification: Graduate Assistant (Monthly)
Number of Openings: 1
Pay Rate: $3276.00 (Full Time Monthly Base Rate)
Appointment: 0.5 (20 hours/week)
Expected Dates of Employment: June 1, 2022 to June 30, 2022
Deadline to Apply: March 31, 2022

Requisition #: BIO_GA_2223_2

DUTIES OF THE POSITION
Assist with data analysis and assembly of Final report for grant-funded project studying California tiger salamanders at the Alton Preserve in Santa Rosa, CA. Specific tasks will include statistical analyses of data, writing and editing of subsections of manuscript for final report for US Fish and Wildlife Service.

MINIMUM QUALIFICATIONS
Knowledge of the subject matter of the discipline in which assigned. Ability to relate well to others within the academic environment; ability to supervise, assist and train students; and ability to assist faculty in the conduct of special projects or research within the discipline. For initial appointment, evidence of satisfactory achievement in previous academic work; for the subsequent appointments, evidence of satisfactory progress toward completion of degree. Education equivalent to completion of the requirements for a bachelor’s degree and registration in a University graduate degree program; students enrolled in credential programs are not eligible for this position. NOTE: Exceptions to the minimum eligibility qualifications may be granted at the sole discretion of the University.

HIRING CRITERIA
Extensive experience (minimum two years) with California tiger salamander data collection and analysis at the Alton Preserve. Demonstrated skills in statistical analyses using JmpPro software, including linear mixed models and angular statistics. Graduate student with completion of advancement to candidacy in the Department of Biology at Sonoma State University.

HOW TO APPLY
Send expression of interest in the position with Curriculum Vitae to Derek Girman via email (girman@sonoma.edu).

HIRING NOTIFICATION
Applicants will be notified via email notification

SUPERVISOR
Dr. Derek Girman, Department of Biology

OTHER INFORMATION

- The classification, Graduate Assistant, is one of three classifications in a collective bargaining unit, Unit 11. The Graduate Assistant classification provides currently enrolled or admitted University graduate students the opportunity to assist faculty or teaching staff by performing various professional and technical duties associated generally with the subjects or program which the Graduate Assistant is doing graduate work.
- Sonoma State University hires only individuals lawfully authorized to work in the United States. All offers of employment are contingent upon presentation of documents demonstrating the appointee’s identity and eligibility to work, in accordance with the provisions of the Immigration Reform and Control Act.
- The university is an Affirmative Action/Equal Opportunity Employer. We consider qualified applicants for employment without regard to race, religion, color, national origin, ancestry, age, sex, gender, gender identity, gender expression, sexual orientation, genetic information, medical condition, disability, marital status, or protected veteran status.
- This position is considered a “mandated reporter” under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in CSU Executive Order 1083 as a condition of employment.
- Successful candidates may be required to do a background check (including a criminal records check) before work in the position can begin.
