

Master's Thesis Submission Agreement

Name (Last) _____ (First) _____ MI _____

Permanent email _____

Phone _____ Student ID # _____

Master's Program _____

Date of final submission (MM/DD/YYYY) _____

Thesis Title _____

Student Agreement

By checking this box and signing the form below, I certify that:

- This is the final version of my Master's thesis, approved by my advisory committee and subject to final review by the Graduate Studies Office.
- Sonoma State University is granted the non-exclusive right to archive, reproduce, and make accessible worldwide my Master's thesis in its entirety, without further authorization from me. I understand that I retain all ownership rights, along with co-authors and funding agencies, if any.
- I retain the copyright to my Master's thesis. Copying or publication of this thesis for financial gain shall require further written permission from me, and that any user may be liable for copyright infringement. I require proper acknowledgement of authorship in all instances of reproduction.
- If applicable, I have received unrestricted permissions from co-authors, funding agencies, and creators of third party materials found within my thesis; and that such third-party materials are clearly identified and acknowledged within my work.
- If applicable, research involving human subjects has been approved by the University's Institutional Review Board and evidence of IRB approval is included in an appendix.

Information about the thesis

Abstract (300 words or less):

Keywords: These keywords represent the subject areas covered by my research (Use words users are likely to use when searching for this work):

Was your thesis research based in the North Bay region: Sonoma Marin Napa
 Mendocino Solano or Lake counties (check all that apply)?

If so, provide location of specific research sites, including geospatial coordinates, if applicable.

Student name (Print) _____ **Date** _____
